Ballet 6-12 years

Improve posture, balance and flexibility. Boost your confidence through the artistry and grace of ballet.

Belly Dance 5-14 years

Baby Belly Dance class emphasize listening skills, respect and curiosity, self-love, and self-expression through dancing. They will learn moves inspired by traditional belly dance and more! A class to wiggle and have some fun!

Kids Ballroom 7-14 years

Kids ballroom dance class will introduce the art of partner dancing to your child and teach important etiquette skills such as courtesy and respect for each other while learning to dance like young ladies and gentlemen. We work hard to build lifelong skills such as kindness, respect, teamwork, self-confidence, and responsibility while learning to dance. Dancing is a social activity and your child will make new friends while having fun learning to dance.

Benefits of Learning to Dance:

Improved Physical Health

Educational Benefits

Socialization Benefits
